FELLOWSHIP in ADVANCED ESTHETIC & RESTORATIVE DENTISTRY 2019 - 2020

OBJECTIVES

This Fellowship is designed to offer clinicians with comprehensive training, scientifically-based rationale for all diagnostic, treatment planning, and patient care decisions in all aspects of esthetic and contemporary restorative dentistry.

DESCRIPTION

This program is a collaborative work between Faculty of Medicine, biomedical and dentistry department, University of Genoa-Italy and Faculty of Dentistry, Beirut Arab University-Lebanon. The teaching faculty members are specialists in esthetic and restorative dentistry and are selected from both universities. The didactic format will include lectures, laboratory time, video review, literature review and an intensive hands-on practice held in the simulation lab in the Faculty of Dentistry at BAU.

Fees Registration 4000\$

Early bird registration 3600\$ (till October 10, 2019)
