

1. Name and Academic Rank: Eng. Shareef El-Mustafa Senior Petroleum Engineering Lecturer

2. Education: Degrees, Discipline, Institution and Date:

- 2016 Msc in Petroleum Engineering (Heriot Watt University)
- 2014 B.E in Mechanical Engineering (Lebanese American University)

3. Work experience

- Beirut Arab University, Senior lecturer 2016-Present Full Time

Teaching :

- Reservoir Engineering
- Reservoir Simulation
- Reservoir Simulation Lab
- Natural Gas Production Engineering
- Introduction to Petroleum Engineering
- Reservoir Rock Properties
- Geophysical Techniques
- Petroleum Economy and Risk Management

4. Honors and Awards:

- Field Development certificate from Heriot Watt university Dubai campus.
- OSHA Certificate in Oil and Gas Industry.
- Certificate of appreciation in the Engineering Projects day at Beirut Arab university.

5. Service activities

- Member of Society of Petroleum Engineer since 2015
- Member of American Society of Mechanical Engineers since 2011.

6. Research Interests

- Reservoir Engineering.
- Well Testing.
- Production Technologies.
- Sand production and control.
