

1. Name and Academic Rank: Eng. Hussein Gharib Senior Petroleum Engineering Lecturer

2. Education: Degrees, Discipline, Institution and Date:

- 2014 Msc Petroleum Engineering (London UK)
- 2012 BEng Petroleum Engineering (London UK)
- (2010) HND Chemical Engineering (London UK)

3. Work experience

- Beirut Arab University, Senior lecturer 2015-Present Full Time

Teaching :

- Physical Geology Lab
- Well logging and Formation Evaluation
- Principles of Petroleum Geology + lab
- Geology of Lebanon
- Drilling System Engineering
- Petroleum Geo-mechanics
- Reservoir Characterization +lab
- Fire control Engineering
- Environmental and safety

4. Honors and Awards:

- Carbonate Reservoir Development certificate Colorado USA
- OSHA Certificate in Oil and Gas Industry
- Strike –slip Tectonics, Tectono-Stratigraphy and Petroleum System of the levant Restraining Bend in Lebanon
- Reservoir Geo-mechanics Certificate

5. Service activities

- Member of Society of Petroleum Engineer Since 2010
- Member of American Association of Petroleum Engineering
-

6. Research Interests

- Carbonate Reservoir Characterization
- Corrosion Analysis and Production Monitoring
- Microbial and Co2 Enhanced oil Recovery.
- Geo-mechanics and Drilling Hazardous in over pressurize Geological media.
