Curriculum Vitae

CONTACT INFORMATION

Name: Mennat Allah Abd Elfattah Abd Elkhalek Ali Saqr.

Sex: Female

Date of Birth: 15/11/1988

Home Address: Sidi Gaber, Alexandria, Egypt.

Place of birth: Buhayrah, Egypt.

Nationality: Egyptian

Religion: Muslim

Marital status: Single

Mobile: 01274946136

Present academic job:

- Lecturer of Anatomy and Embryology, Faculty of Medicine, Alexandria University, Alexandria, Egypt.
- Ass. Prof. of Anatomy and Embryology, Faculty of Medicine, Beirut Arab University (BAU), Beirut, Lebanon.

Workplace address:

- Anatomy and Embryology Department, Faculty of Medicine, Alexandria University, Alexandria, Egypt.
- Human Anatomy Department, Faculty of medicine, Beirut Campus, BAU, Jadidah street, Beirut, Lebanon.

Email:

- menna.saqr.ms@gmail.com

EDUCATION

HIGH SCHOOL
Graduate institution: Kafr El-Dawar Secondary School
Year: 2006

MBBCH
Graduate institution: Faculty of Medicine, Alexandria University.
(Excellent with honor)
Year: 2012

MS
Graduate institution: Faculty of Medicine, Alexandria University.
Year: 2017
Major: Basic medical science of anatomy and embryology.

Thesis: (SKELETAL TERATOGENICITY OF TRAMADOL AND HISTOLOGICAL STUDY OF ITS EFFECT ON CORTICAL NEURONAL CELLS OF PREGNANT MICE).

MD
Graduate institution: Faculty of Medicine, Alexandria University.
Major: Basic medical science of anatomy and embryology
Year: 2021
Thesis: (STUDY OF THE POSSIBLE TERATOGENICITY OF DACLATASVIR AND ITS HISTOLOGICAL EFFECT ON LIVER CELLS OF PREGNANT MICE)

MS
Graduate institution: Faculty of Medicine for Girls, Al-Azhar University.
Major: Master's Degree in Obstetrics and Gynecology.
Year: 2022
Thesis: (THE EFFECT OF INJECTED PLATELET-RICH PLASMA ON THE HEALING OF CESAREAN SECTION SCAR IN OBESE FEMALES)

Diploma

Graduate institution: Faculty of Medicine, Alexandria University and American Association of Continuing Medical Education.
Major: Sexual Medicine and Aesthetic Gynecology.
Year: 2024.

Diploma

Graduate institution: The General Organization for Teaching Hospitals and Institutes.
Major: Professional Diploma in Assisted Reproductive Technology.
Year: 2025.

WORK EXPERIENCE

- **House officer:** at Alexandria Main University Hospital, Egypt from 1/3/2013 to 29/2/2014. [Internal Medicine (2 months); General Surgery (2 months); Obstetrics and Gynecology (2 months); ENT (2 months); Pediatrics (2 months); Accident and Emergency (1 month) & Anesthesia (1 month)]

- **General practitioner:** Egyptian Ministry of Health, **from** 10/4/2014 **to** 2/11/2014**.**

- **Demonstrator of Anatomy and Embryology: from** 3/11/2014 **to** 28/3/2018.

- **Assistant lecturer of Anatomy and Embryology: since** 29/3/2018 **till** 27/9/2021**.**

- **Lecturer of Anatomy and Embryology: since** 28/9/2021 **till** now.

- **Visiting assistant professor of Anatomy and Embryology at Beirut Arab University: from** 20/3/2022 **till** 14/4/2022**.**
- **Visiting assistant professor of Anatomy and Embryology at Beirut Arab University: from** 21/1/2024 **till** 1/5/2024**.**

- **Full-time assistant professor of Anatomy and Embryology at Beirut Arab University: academic year** 2024-2025 & 2025-2026**.**

LANGUAGE: -Arabic (mother language)
- English

COURSES: ICDL

LICENSE: ILETS

SOCIAL SKILLS

- Self-starter with dependability and loyalty.
- Excellent organization and written communication skills.
- Responsible and trustworthy confidential information.
- Self-motivated hard worker and problem solver.

ACADEMIC ACTIVITIES / INTERESTS:

1) Attendance and completion of the following rounds as a part of ***Health and Leadership Development Project***;
- Quality Standards in Teaching. On 22– 23 / 3/ 2017
- References Management System. On 27-28 / 3 /2017
- Design of experiments and statistical analysis SPSS on 7-11/6/2017
- Learning with Technology. On 13- 14 / 7/ 2016.

2) Attendance of ***annual scientific meeting congress*** of Faculty of Medicine, Alexandria University from 2015 to 2017

3) Attendance of **scientific lectures** in Faculty of medicine, Alexandria University.

4) Training course in ***Basics of research*** as a part of continuous medical education program at faculty of medicine, Alexandria University (2 lectures weekly) from 25/2/2017 to 25/5/2017.

5) Attendance of a workshop on **Egyptian Knowledge Bank** "EKB" at the Faculty of Medicine library, Alexandria University on 10/4/2017.

6) Attendance of **CVC 2017** (Cardiovascular Conference 2017) at the Faculty of Medicine, Alexandria University on 8/5/2017.

7) Attendance of **the 20th ESEO** (Annual International Congress of the Egyptian Society of Endocrinology, Diabetes and Obesity) at Hilton Green Plaza Hotel, Alexandria, Egypt on 10-12/5/2017.

8) Attendance as a **Speaker** at the **1st annual international conference of human anatomy and embryology** on 14/9/2017 (subject: Tramadol skeletal teratogenicity and its cortical neuronal cytotoxicity on pregnant mice).

9) Attendance of **the 2nd annual international conference of human anatomy and embryology** on 10-11/9/2018.

10) Attendance of **the 17th annual international conference of the Obstetrics & Gynecology Department,** Faculty of Medicine, Al Azhar University (**Basic Ultrasound Workshop**) from 9/3/2019 to 13/3/2019.

11) Attendance of **In Vitro Fertilization Hands-on Workshop** held on 19th – 21st September 2019 at Desert Research Centre.

12) Attendance and completion of the following rounds as a part of ***Health and Leadership Development Project***;
    - Competitive research project proposal; on 10- 11 / 6 / 2020.
    - Research ethics and plagiarism; on 13- 14 / 6 / 2020.
    - International publishing of research; on 15- 16 / 6 / 2020.
    - Exams and student evaluation system; on 4- 5 / 7 / 2020.
    - Quality assurance and education progress; on 15- 16 / 7 / 2020.
    - Communication and presentation skills; on 18- 19 / 7 / 2020.

13) Interested in the field of **clinical and experimental embryology** research.

PUBLICATIONS:

1. **The possible malformations of tramadol on the skeletal system of mice embryos.**
   - **Authors**: Mennat Allah Abd Elfattah Saqr, Amany Mahmoud El-Agwany, Hoda Khalifa, Eman Elazab Beheiry, Dalia Mahmoud Biram
   - **Journal**: The Egyptian Journal of Anatomy
   - **Year**: 2021

2. **The possible histological effects of daclatasvir on liver cells of the pregnant mice.**
   - **Authors**: Mennat Allah Saqr, Hoda Saleib, Nader Elnemr, Hoda Mahmoud Khalifa, Nancy El Sekily
   - **Journal**: The Egyptian Journal of Histology
   - **Year**: 2021

3. **The Possible Protective Effect of Vitamin C on the Developmental Toxicity of Polytherapy in Epilepsy in Pregnant Albino Mice**
   - **Authors**: Miriam Ramzy Riad & Mennat Allah Abdefattah Saqr.
   - **Journal**: International Journal of Anatomy and Research
   - **Year**: 2025
