Sex Female | Date of birth 15/06/1974 | Nationality Lebanese | Second Nationality Egyptian

WORK EXPERIENCE

2024-....

Committee member

- Member of the Institutional Review Board at Beirut Arab University
- Member of the Scientific sub-committees at the order of Pharmacists of Lebanon namely; Hospital/ clinical subcommittee and Pharmaceutical Research Committee
- Member of the medication registration subcommittee at the ministry of Public Health

2021-2025

Committee member

- Member of the Order of Pharmacist continuous education committee.
- Member of the Scientific sub-committees at the order of Pharmacists of Lebanon namely; Hospital/ clinical subcommittee, Environmental subcommittee, Medication safety subcommittee, and Community pharmacy subcommittee.
- Member of the COVID-19 vaccine registration committee at the ministry of Public Health
- Member of the Emergency medication registration committee at the ministry of Public Health
- Member of the Arab Board of pharmacist scientific committee (Arab Pharmacists Union)
- Member of the vaccination committee at Beirut Arab University

2020-2021

Committee member

- Member of the Order of Pharmacists continuous education committee
- Member of the covid-19 vaccine registration committee at the ministry of public health
- Member of the Arab Board of pharmacist scientific committee (Arab Pharmacists Union)

2018-2020

Committee member

Member of the Order of Pharmacist scientific committee, and Continuous education committee

2016-2018

Committee member

Member of the Order of Pharmacist central scientific committee, health promotion and research subcommittees

2014-2015

Committee member

Member of the colloquium committee

2012-...

Teaching

Beirut Arab University, Faculty of Pharmacy

- Pharm D program Coordinator
- Pharm D preceptor
 - ✓ Site: previously: American University of Beirut Medical Centre and Rafic Hariri University Hospital; currently: Makassed General Hospital and Beirut Arab University Health Center
 - ✓ Rotations: Internal Medicine, ICU, CCU, Paediatrics, Infectious Disease, Family medicine and Emergency Department.
- Assistant professor till 2023
 - ✓ Pharmacotherapeutics I, II, IV and V
 - ✓ Pharmacology II, III, and IV
 - ✓ Critical Care
- Associate professor from 2023-...
 - ✓ Pharmacotherapeutics V
 - ✓ Pharmacology III and IV

2013-2014	Committee member Member of the scientific research committee, Beirut Arab University, Faculty of Pharmacy
2012-2014	Committee member Member of the curriculum committee, Beirut Arab University
2011-2012	Teaching Beirut Arab University, Faculty of Pharmacy Coordinator of Professional Pharmacy Practice I, II and III Lecturer: Pharmacotherapy I (Respiratory disorders and Rheumatologic disorders) and IV (women health) Pharm D preceptor: Internal Medicine, Pediatrics, ICU, Infectious Diseases.
2010-2013	Committee member Member of the colloquium committee
2010-2011	Teaching Lebanese International University, School of Pharmacy Courses given: Seminar I, Seminar II, Introduction to Pharmacy Practice, History and ethics of Pharmacy, Pharmaceutical calculation and 5th year Professional Pharmacy Practice
2009-2011	Teaching Beirut Arab University, Faculty of Pharmacy, Pharm D program Preceptor, for the rotations: CCU, ICU, Pediatrics and Community Pharmacy
2004-2012	Community Pharmacy Owner of PharmaPlus Pharmacy, Wata Al Mousaitbeh
2000-2011	Teaching (Part-time) Beirut Arab University, Faculty of Pharmacy Clinical Pharmacy Rotation, Professional Pharmacy Practice courses, Therapeutics V and VI.
1999-2003	Community Pharmacy PharmaPrix Pharmacy, Chouran Street Manager
1999-1999	Medical Representative Pharmaline
1998-1999	Community Pharmacy part-time job Pharmacy Rola, Burj Abou Haidar Afternoon-time shift
1995-1998	Teaching Private lessons in Math, Physics, Biology, and Chemistry
1994-1998	Student Assistance Personnel Office, Lebanese American University Office Work

EDUCATION AND TRAINING

Education

- 2014-2018 PhD in Pharmacology, Beirut Arab University, Lebanon.
Thesis Title: Investigation of the Pharmacological Effects of Some Selected Agents on Pain and Inflammatory Processes in Experimental Animal Models
- 2008-2013 Master in Pharmacology, Beirut Arab University, Lebanon.
Thesis title: Evaluation of Anti-inflammatory and Analgesic Activities of some Newly Synthesized Pyrazole Derivatives
- 1998-1999 Pharm D., Lebanese American University, Byblos, Lebanon.
Thesis title: Homocysteine, Vitamin B6, Vitamin B12 and folic acid in relation with coronary heart disease.
- 1993-1998 BS in pharmacy, Lebanese American University, Byblos, Lebanon.
- 1991-1992 French Bacc. II, Terminal D, Beirut, Lebanon.
Lebanese Bacc. II, Science Experimental, International College, Beirut, Lebanon.

Training and Participation

- 2025-2026
- Attended on Saturday 4 October 2025 a conference entitled “Pharmacy Forward: Advancing Patient Care” at Lebanese American University, Beirut Campus.
 - Attended the Droguerie Phenicia Educational Conference held on 24/10/2025 at Geneva, Switzerland
 - Attended an online Conference entitled “Fifteenth International Conference on Effective Teaching and Learning in Higher Education” on 17/04/2026 organized by AUB
- 2024-2025
- Successfully completed the 2024 ACCP International Certificate Program title: “Medication Optimization Through the Provision of Comprehensive Medication Management”; October 21 to December 23, 2024
 - Attended the 4 hour a:care virtual congress entitled “Adherence is a behavior. Do we have the right one? On 17th October, 2024, organized by Abbott.
 - Attended an online lecture entitled: “Viral vector integrity analysis-Advancements in gene therapy development” organized by Qiagen on December 12, 2024
 - Attended a webinar entitled:” Transforming Obesity Management: A Multidisciplinary Approach.” organized by SSCP on 15/03/2025
 - Attended the Fourteenth International Conference on “Effective Teaching and Learning in Higher Education” virtually on April 11, 2025, organized by the American University of Beirut.
- 2023-2024
- On the 21 september, 2023 attended a lecture at OPL entitled @Diabetes and Hypertension”
- On the 16th of November, 2023 attended a lecture at OPL organized by Bausch and Lomb on Ocular Diseases
- On December 8, 2023, attended at BAU a workshop entitle: “Writing Grant Proposals”
- On 12 January, 2024 attended at BAU the “Research Talks”
- On 23 February, 2024, attended a webinar on "Building Bridges: Exploring Community-Engaged Learning”
- 2022-2023
- Attended at BAU a lecture entitled: “Nutrition during the economic crisis: Challenges and Solutions.”
- Attended FASEB Catalyst Conferences; Adipose Tissue Traansduces Dysbiosis to Heart Disease: An Avenue to Novel Therapies; Wednesday, January 18, 2023 on Zoom Platform from 6 till 9:30
- Attended the International Conference on Effective Teaching & Learning in Higher Education 2023, "Advancing Diversity & Inclusion through Liberal Arts Education" March 17, 2023 via Zoom Platform
- Attended IBRO-MENA 2022 School and conference entitled “Disentangling the Crosstalk Web Between Metabolic Dysfunction and Neurodegenerative Pathways on Alzheimer’s Disease” organized by Alamein International University and International Brain and Research organization in Alamein, Egypt.
- 2021-2022
- Attended an online workshop entitled “REACH (Research for Education Accessibility Challenges) on May 19-20, 2022
- Attended a course entitled: Summary Statistics in Public Health an online non-credit course authorized by Johns Hopkins University and offered through Coursera
- 2020-2021
- attended the following conferences/webinars:
- an online conference organized by the American University of Beirut entitled “International Conference on Effective Teaching and Learning in Higher Education”, on 9 April 2021
 - the PHS 2020 webinar entitled personalized medicine: a challenging health care model for human wellness on 28-29 November 2020

- Educational activity titled CRI E-Workshop: Statistics Made easy, organized by the American University of Beirut, November 2-4, 2020
- Educational activity titled The Management of Common Psychiatric Disorders in Primary Care organized by American University of Beirut and the Medical center on November 28, 2020
- A webinar organized by McGraw Hill titled Preparing Students to Improve Drug Therapy Using Consistent Patient Care Process on 10th October, 2020
- Educational Webinar titled Mastering Statistics-Your Questions Answered organized by LetPub on November 13, 2020

2019-2020

Attended the OPL pharmacy day
 Attended the module 1 of Pharmacy Academy on Multiple sclerosis held on September 6, 2019 at BAU; Attended the 4th Pharmacy day entitled "Pharmacists Professional Perspective" held on 15 September, 2019 at the Lebanese University, Tyre; Attended the scientific day entitled Place and importance of the Pharmacy profession in the health system held on 22/9/2019 at Baalbek
 Attended the 6th Hospital Pharmacist continuous medical education entitled "Updates in the Treatment of Anemia Secondary to Kidney Failure" held in Athens, Greece during 3-6 October, 2019.; The Critical Care Pharmacy Review Course, Pract Exam, and Core Therapeutic Modules Package (Cert # L199186) posted by ASHP; Attended A webinar entitled: ""ASHP Global: Advancing Pharmacy Practice Together - Lebanon". Organized by ASHP held on 21/7/2020 from 6pm to 7pm; Attended the 1st IVPN-AR: Pharmacy Practice During and Beyond Times of Crisis. Held on Aug 29, 2020 03:00 PM
 Participated in the Cancer Awareness Village 2020 organized by Barbara Nassar Association on 28 and 29 of February at the Forum of Beirut.

2018-2019

Participated in the pharmacists' day, themed: "Safe and Effective Medicines for All" organized by the Faculty of Pharmacy on the 10th of October, 2019
 Attended a training session entitled: "The National Tuberculosis program of the ministry of public health" which was held at OPL and presented by Dr. Hiam Yaacoun (National Tuberculosis program Manager).
 Attended the 5th Hospital Pharmacist Continuous Medical Education Course: The Pharmacist's role in drugs and therapeutics committee@ which was organized by ARWAN in Hurgada

2017-2018

Attended the third international conference and the forum entitled "Towards Best Pharmacy Practices. Enhancing Pharmacy Education"
 Attended a scientific day entitled Pharmacy: Innovation and responsibilities
 Attended a scientific day held in Beqaa entitled Pharmacy: Pharmacy, science and creativity
 Participation in the pharmacists day, themed: "Pharmacists: your medicines experts" organized by the Faculty of Pharmacy at BAU

Participation in the breast cancer awareness campaign organized by the ministry of health
 Workshop

2015-2016

American College of Clinical Pharmacy
 "Advancing Clinical Pharmacy Practice: Updates and Strategies from Experts in the Field. Focus on Chronic Diseases and Pharmacist Services"

2013-2015

OPL continuous education
 Completed more than 30 credits
Enhancement of teaching skills
 Beirut Arab University, Faculty of Arts
 "The Enhancement of Staff-members' Teaching Skills"
 A series of six training workshops

2007-2008

Clerkship (Residency)
 Beirut General University Hospital
 ICU, CCU and Internal Medicine

1998-1999

Clinical Pharmacy Training
 American University of Beirut
 Pediatrics, Internal Medicine, OBGYN, Family Medicine, ENT and Ophthalmic
 Special Project: Misuse and abuse of certain drugs at AUH infirmary service

1997-1998

Clinical Pharmacy Training
 Makassed General Hospital
 Surgery, Emergency Room, Private floors, OBGYN, bone marrow transplantation department, CCU, ICU, Pediatrics, Internal Medicine and Laboratory Department
 Special Project on restricted antibiotics, antibiotic resistance and other topics

1996-1997

Community Pharmacy Training
 Mazen Pharmacy, Cornish Al Mazraa
 Pharmacy Management, dispensing and counselling
Hospital Pharmacy Training
 Saint George Hospital
 Dispensing Drugs, preparing Piggy-Bags, checking drug interaction and side effects

1995-1996 Special project: Cephalosporins
 Pharmaceutical industry training
 Pharmadex
 Preparation of drugs (syrup, capsules, tablets, enteric coated tablets, suppositories...)
 Quality control and laboratory analysis
 Community Pharmacy Training
 Hout Pharmacy, Wata Al Mousaytbeh
 Pharmacy Management

PERSONAL SKILLS

Mother tongue Arabic

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C	C	C	C	C
French	C	C	C	C	C

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
 Common European Framework of Reference for Languages

Communication skills ▪ good communication skills gained through my experience as community pharmacist, lecturer and preceptor

Organisational / managerial skills ▪ Pharm D coordinator (responsible for a team of 6 preceptors and for 18 students)

Job-related skills ▪ good command of quality control processes

Computer skills ▪ good command of Word, Excell, Powerpoint
 ▪ good command of Softpharm, a program used in most of the Lebanese pharmacies
 ▪ good command of Megastat and SPSS

Driving licence Lebanese Driving Licence

Conferences Seminars

- Participation in 5 Posters at the 22nd Lebanese Order of Pharmacist Congress 2014
- Poster at the Recent Advances In Pharmaceutical Research and Technology, Beirut Arab University
- Presentation entitled "Right NSAID for the Right Patient", OPL, Sour, 2015.
- Presentation entitled "Overview on NSAIDS", OPL, Beirut, 2015.
- Poster presentation at the 23rd OPL Congress, 2015 (second prize)
- Presentation entitled "New definition of sepsis and septic shock", OPL, Beirut, 2016
- Participation in 4 Posters at the 24th Lebanese Order of Pharmacist congress
- Presentation entitled "Clinical Pharmacist: within and Beyond our Scope of Practice?", OPL, Beirut, 2017
- Presentation entitled: "Updates in the management of diabetes", Health Awareness for a better future women and diabetes, Beirut Arab University
- Poster at the third international conference and the forum entitled "Towards Best Pharmacy Practices. Enhancing Pharmacy Education" at Beirut Arab University under the title "Clinical Pharmacist evaluation of medication: Inappropriateness in a geriatric hospital".
- Moderated the Pharmacy session at the 14th national forum organized by the Lebanese Society of Medical Oncology that was held on April 1, 2017
- Moderated several sessions at the Lebanese Order of Pharmacists 25th Annual Congress named "The Seven-Star Pharmacist: Shaping the Future of Pharmacy in Lebanon", 17-19 November, 2017.
- Presentation entitled "Pain Management from Traditional Drugs to New Ones", OPL, Beirut, 2018
- Breast cancer awareness session on Zoom for the 10th grade students at the Lycee Francais International Elite, 2021
- A presentation on Zoom platform was done entitled "Chemotherapy" targeting Medis Pharm pharmacists on January 13, 2022.
- Participated in IBRO-MENA 2022 School and conference entitled "Disentangling the Crosstalk Web Between Metabolic Dysfunction and Neurodegenerative Pathways on Alzheimer's Disease" organized by Alamein International University and International Brain and Research organization in Alamein, Egypt during the 1st till 6 of October: Presentation title: Repurposing of newly synthesized tacrine derivatives as an Anti-inflammatory agents; Poster title: Anti-inflammatory Effect of The Repurposed Tacrine Analogues Tetrahydroquinolines: Experimental Investigation and Molecular Mechanics Simulations
- In 9th of October, presented a talk entitled: "Complications and Management of COVID-19" as a continuous education for Pharmacists done in Tyre.
- On the 17th and 18 February, 2024, during the first annual pharmacy schools symposium entitled: "United in Action: Pharmacy Education and Practice Advancement", LAU Beirut campus, moderated the session entitled: "Novel Pharmacy Practice Settings" and delivered a presentation entitled: "Pharmacy Continuing Professional Education Facts and Challenges.
- Presented a research article for poster presentation entitled "Are expired Drugs Dead Drugs?: The Lebanese Community Perspective" in the 3rd International Conference and Exhibition on Pharmaceutical and Healthcare Sciences PHS 2024 on 23-24 October 2024.
- Delivered to LAU post graduate studies' students a lecture entitled "Investigation of the Inflammatory Response: Experimental Analysis" on 29/10/2025 at Lebanese American University, Byblos campus
- Several campaigns were organized with the Pharm D teams
- Supervised several thesis: Pharm D, master, and PhD
