Position

Clinical Lecturer, Pharmacy Practice Department

Biography

Dr. Chaza Alaeddine is a clinical lecturer at the Faculty of Pharmacy, at Beirut Arab University (BAU). She has several years of university teaching experience in different Pharmacy Practice Courses. Dr. Chaza is the coordinator of the pharmacy experiential course (PPE III), where third level pharmacy students are supposed to train in community setting. Moreover, she is the coordination of inter professional education course (IPE) where senior pharmacy students will be engaged among other health care providers and provide appropriate care plan for simulated patient. Dr. Alaeddine is also a clinical preceptor for PHARM D students rotating in several affiliated hospitals. Her research interest focuses on anticoagulation, women's health, public health, and pharmacy practice.
