

WATERFRONTS DEVELOPMENT POLICIES CASE STUDY: "ALEXANDRIA & JEDDAH WATERFRONT DEVELOPMENT PROJECT"

*Omar, Walid F.*¹

Aim of the Study

Other coastal cities like in the Arab & Gulf area troubles started when the cities started to grow in an unorganized way in the last two decades & private properties occupied most of the cities waterfronts.

Planners had always trying to reclaim & develop waterfronts by public governmental effort or by private projects.
